THE STORY OF OUR FUNDS

By Freda Hadley

The United Society of Friends Women (formerly Woman's Missionary Union) maintains four permanent and two secondary funds for mission work at home and overseas.

The first two were born out of the enthusiasm of General Conferences and the last two were in itiated by the Executive Committee of the Woman's Missionary Union as it sensed the need and opportunity. The UNITED THANKOFFERING and the MEDICAL FUND were started in 1945 and 1948 respectively, and are rapidly becoming a permanent part of our financial program. Each fund was started only after earnest prayer and prayer has continued to guide in the use of each.

Love Fund

It was in 1914, at the General Conference held in Muncie, Indiana, that Esther Baird and Delia Fistler thrilled the women with the report of their work in India. They were working under Ohio Yearly Meeting and at that time the Ohio Yearly Meeting women belonged to our organization. At this period it seemed Ohio Friends could no longer carry the financial load and would have to close the station at Nowgong. An appeal was made to the Conference, and after much prayer the women responded by assuming the support of Esther Baird, with the Ohio Board continuing to administer the work. This money was called the **Love Fund** and it paid Esther Baird's salary from that time until she retired from India in 1938. Then until her death in August 1950, the **Love Fund** paid her a retirement salary and provided her with some money for additional needs and comforts. Substantial gifts to the hospital and churches she had helped establish in India were made from time to time also.

In October 1950, the Executive Committee approved naming Mildred E. White, Principal of Friends Girls School at Ramallah, Amman, Jordan (Palestine) to receive her salary from the **Love Fund.**

Faith Fund

In the early 1920's, Alice I. Kennedy, a missionary to Jamaica, was striken with a serious malady and came to the United States for treatment. For a number of months she was in a sanitarium at Carville, Louisiana. In the spring of 1925 she was released as cured. She longed to return at once to her work in Jamaica, but the American Friends Board of Missions lacked the funds for her support. At the General Conference of the Woman's Missionary Union in Greensboro, North Carolina, in May, 1925, Alice I. Kennedy gave a message of such power that the Executive Committee was united in the conviction that she should return to Jamaica.

The Conference enthusiastically endorsed the recommendation that the Woman's Missionary Union should guarantee her salary. It was a step of faith, so the money was labeled the **Faith Fund.**

Alice I. Kennedy continued to work faithfully and well until her retirement in 1940. Esther Wellons was the next to receive her salary from this fund. When the Wellons returned to the States to live, the women in Conference in Poughkeepsie, New York, in 1948, eagerly endorsed Helen Kindel as the next recipient. She was leaving very soon for our African field.

We have helped churches and schools in Jamaica from the Faith Fund. We helped with Helen Kindel's travel to Africa, also made a gift to her when her baby girl was born in March 1950.

Mountain Hope Fund

As the Woman's Missionary Union grew in numbers and the interest increased in our outreach, the Executive Committee began looking for some specific line of home mission work. About 1930, a suggestion came from the American Friends Board of Missions, that we assist in the support of a new missionary in Eastern Tennessee.

Soon we assumed full support of Fred L. McMillin. Thinking of the already established **Love Fund** and the **Faith Fund,** this new fund was designated the **Mountain Hope Fund.** After Fred McMillin's retirement, Lillian Chant became our messenger for a time, and she was followed by Violet Linton. In 1950, Margaret Yates, wife of Howard Yates, became the recipient. She and her husband grew up in Eastern Tennessee attended Friends schools and prepared themselves for pastoral work among their own people. They are pastors at Rafter Meeting.

Amounts from this Fund have often been made to the building and repair of churches and parsonages on the Tennessee field. It has paid expenses to conferences and Five Years Meeting. Farr's Chapel and Rafter Chapel are two new church buildings which this Fund helped build.

Joy Fund

After the death of beloved Eliza Armstrong Cox in 1935, the question of a suitable memorial to her life and work arose. We wanted some living, growing project, typical of her "ever-green" spiritual life.

Remembering her interest in Indian welfare, the Executive Committee suggested that a free will offering be received each year to go toward the support of a worker among the Oklahoma Indians, under the supervision of the Associated Executive Committee of Friends on Indian Affairs. It was because of Eliza Armstrong Cox's joy in serving her Master that the name **Joy Fund** was chosen. The first gift came from her son and daughter, Freeman and Elizabeth Cox. The second came from the Woman's Bible Class of Whittier Meeting, California, in appreciation of her faithful service as their teacher.

Several workers on the Indian field have been supported through this channel. Westine Shufelt, who is finishing many years of service there, has received her salary from this Fund. Beginning in 1950, Susie M. Frazier was the recipient.

The Executive Committee has had the joy of allocating various sums from the Joy Fund to the Indian field, several hundred dollars going in 1948 to help build a new church building at Council House Meeting, where the Shufelts have worked. Other amounts have gone into repairing of churches and parsonages. Some has gone to help pay the traveling expenses of our missionaries to important conferences and to the Five Years Meeting.

United Thankoffering

Still the United Society of Friends Women grew in numbers, interest, and stewardship. More needs arose which it seemed would not be met unless we launched out and met them.

Most societies receive Thankofferings once or twice a year, each group deciding how it uses these offerings. We believed they would like to give at least one-tenth of their Thankofferings into a **United Thankoffering,** which would add up to a large amount, and would really help a great deal on some field. Each year the Executive Committee decides where this sum will go, but nearly all of our projects have run at least two years.

The first project so chosen, 1945-1947, was an ambulance for our hospital at Kaimosi, Africa. The final sum, over $3,000, was sufficient to purchase another ambulance for Kaimosi, and a smaller car which is being used as an ambulance in another section of the African field.

During the next two years, April 1947-April 1949, the United Thankoffering amounted to nearly $2,500. The project completed in this period was building a dining room for Happy Grove School in Jamaica.

In 1949-'50 the $1,518 received was divided into five equal parts for our four Indian Centers in Oklahoma and the one in Los Angeles supported by California Yearly Meeting. This current year, 1950-'51, the United Thankoffering is designated for rebuilding the part of Lyndale Girls Home, Jamaica, which was destroyed by the hurricane in 1944. When completed this addition will have three floors, two of which will serve as dormitory and dining-room.

Medical Fund

Again a great challenge came to the United Society. With rapidly rising costs of operating mission work, especially overseas, the Mission Board found its income did not rise in proportion. SO its members appealed to the United Society in April, 1948, to undertake a **Special Project** and raise the $11,400 required for the travel of several new workers to Africa. The Poughkeepsie Conference rallied quickly to this special call and with the aid of the Youth and Children's groups the amount was over-subscribed. In 1949, the women, enthused by this generous response, undertook the sponsorship of the medical work on all the fields of the American Friends Board of Missions which was not met by other special funds. The Youth groups united with us and $8,000 was raised. The women are continuing the medical work as the special project during 1950-1951. The Children and Youth now have other projects.

We do not have the set-up to administer mission work, but we have the privilege of assisting materially the boards which do. In addition to what the women have given, the Youth and Children have raised several thousands of dollars for their special projects. These Secretaries, subject to the approval of the Executive Committee, choose different uses for their money each year.

Missionary work carried on by Friends is much farther along today because of the interest and generosity of Friends Women.

Many people are depending on us. May we continue to support these Funds, believing that this "investment in people" is the most rewarding of anything we can do.

"Who gives himself with his alms,
feeds three,
Himself, his hungering neighbor
and me."
